Welcome to TransitionSource

TransitionSource was designed to support educational programs and agencies across New York State, to advance the post-school outcomes of secondary students with disabilities. Within this website, you will find tools to assist with:

- Finding just the right web and agency resources to support your efforts
- Strategic planning and progress development for secondary transition program development
- Interactive features for online discussions, document and media sharing among members
- Email messaging to other users of the website
- Data collection tools to chart and report progress toward meeting organizational goals

All of this within a password-protected system for use across all of New York State's educational programs and agencies.
